*The Australian Antarctic Division network and ICT facilities are for authorised users only. All usage must be in accordance with Australian Government guidelines and policies for the use of ICT Facilities. Individual usage may be monitored, and disciplinary and/or criminal sanctions may apply for misuse or unauthorised use. Usage logs may be examined as part of any investigation for alleged or suspected security breaches and may also be provided to law enforcement officials investigating such use. Any unauthorised disclosure of official information is a breach of the Public Service (PS) Act 1999 and Criminal Code Act 1995, noting that non-employed Australian Antarctic Program participants will not be subject to the PS Act 1999. All activity undertaken using a particular login name is considered to have been undertaken by the individual assigned that login name. By signing this form, you are signifying your understanding of the above.*
